You're welcome. I left a voice mail for Taryn, as discussed, but didn't get a hold of her. I will try her again tomorrow.

Hi Nancy,

Per our conversation just now, I'm sending the attached preliminary draft summary of the product formulation data from our Analytical Chemistry laboratory. Let me know if you have any questions, and if I hear anything about a Thursday call, I'll let you know.

Best,
Kimberly

Region 1 is asking to see the lab's results from the testing of the formulation. When do you think we'd be in a position to share those results?
